

## Puli

### Maintenance

#### Shampoo

1<sup>st</sup> Bath – Ultra Brightening Shampoo: Enhances Color (10 parts WARM water to 1 part shampoo)

2<sup>nd</sup> Bath – Ultra Reconstructing Shampoo – Adds Volume (10 parts WARM water to 1 part shampoo)

Note – can add to drying time.

#### Conditioner - (for ear, leg and body furnishings)

Ultra Moisturizing Conditioner – For Lighter Finish (10 parts WARM water to 1 part conditioner – **Blend Well**)

Light rinse to remove any tackiness.

Or Ultra Deep Conditioner – For Heavy Finish (10 parts WARM water to 1 part conditioner – **Blend Well**)

Light rinse to remove any tackiness

#### Hot Oil Treatment -

As Needed for Damaged Hair – (Never leave dogs unattended under driers for oil treatments!)

Ultra Deep Conditioner – mix 1 to 1 with warm water use heat for deep penetration

#### Put Dog in Oil –

1/3 Cup Ultra Cream Conditioner; 4 Cups Warm Water; Mix w/ Wand Hand Blender

Pour over coat, work through coat well until completely saturated. Do Not Rinse!

To add oil, spray liberally over the coat without saturating the skin.

#### Spot Cleaning

(Diluted 1-2 parts water with 1 part product in spray bottle) Spot clean faces, feet, furnishings etc with Ultra No Rinse Shampoo by spraying area lightly, work in well with fingers, towel dry and dry with blow dryer. Area can be rinsed with water for even better results.

**Daily Brushing** Ultra Shine Conditioning Spray    or Ultra Show Spray    or Ultra Volumizing Spray Gel  
 Use for detangling & shine                      Use lightly for hydration                      Use lightly for bodifying
